

# Call for papers

Topics of interest include, but are not limited to:

- Aerospace firm governance
- Aerospace SMEs
- Aircraft financing
- Aircraft insurance
- Clusters in aviation industry
- Family business in aerospace
- Global funding sources
- Government funds & grants
- Financial hedging
- Leasing finance
- Private equity
- Supply chain globalisation

Authors are invited to submit papers describing original and previously unpublished work. Full papers should present novel perspectives within the general scope of the conference. Short papers are an opportunity to present preliminary or interim results.

All papers must include title, complete contact information for all authors, abstract, and keywords on the cover page.

## F.A.I.R

**Finance Aero International Researchers (FAIR) hope to develop close links between academic research and practitioners, in the aviation and aerospace areas.**

FAIR develops research fields in finance and governance, with a special focus on small and medium sized enterprises (SMEs).
